Dear Tanya,

On behalf of the Children's Hospital Aid Society, we would like to thank you for your most generous support of the 23<sup>rd</sup> Annual Golf Classic. Once again the tournament was a great success.

Thanks to your involvement, CHAS was able to fulfill their commitment to the Alberta Children's Hospital. We were able to complete the funding of a portable x-ray unit with a supporting computerized radiography reader/printer. This machine produces high quality x-ray images right in the Trauma Room. This machine will be put into use at the current site and moved to the new Children's Hospital when it opens in September of 2006.

The 24<sup>th</sup> Annual Golf Classic will be a very special tournament, as our community anticipates the opening of the new Alberta Children's Hospital. We look forward to your continued partnership with CHAS.

Sincerely,
