

*March 21, 2006*

*Dear Ms MacGregor,*

*Thank you so much for your generous donation of a Package of 2 Thirty Massages. Your support generated over \$117,000 at our sold out "Casablanca" event.*

*Everyone at the Gala enjoyed the atmosphere of "Casablanca" as they had psychic readings, played at the fun casino, had hennas, watched belly dancers, bid on the live and silent auctions, danced to the Dino Martinis and savored an authentic Moroccan meal.*

*With your generous support, Providence is Calgary's most experienced preschool for children with disabilities, a leader in pioneering programs that deliver results. We serve children from 1 to 6 years of age with all types of disabilities. We make a difference because Providence is built on the skills of certified teachers and therapists, and educational/therapeutic assistants working directly with the children in each classroom every day. We are known for:*

- Small class size and a ratio for personal attention: as few as 16 children to 3 staff in every classroom and 9 children to 3 staff in special education programs*
- Focus on the child's developmental needs*
- Family driven*

*Once again, on behalf of Providence and the Dine and Deals Committee, thank you for your support. For more information on Providence, please phone Diane at 255-5577.*

*Sincerely,*

A handwritten signature in blue ink that reads 'Diane DeHekker'.
